

# The Capitol Room and the Caucus Room

Located on the 21st Floor of the Chase Tower, these two rooms are located directly behind the receptionist desk. With floor to ceiling windows facing north, the view of downtown Austin is incredible. Both rooms can accommodate a group of 2 to 9 guests at a round table.

While both rooms are similar in size and location, the Caucus room stands out with its iconic mural. Artist Michael Frary created a uniquely Austin, and certainly uniquely Headliners mural in the early days of The Club. When Headliners moved into its current location in the Chase Bank Tower in the early 1970s, the mural moved with the Club and Frary updated the mural to include Headliners' new home, the large bank tower. Newspaper clippings of Headliners members, Austin landmarks and historic events can all be seen woven into the mural.
